Let your creativity shine with Irislights!

Choose from our thoughtfully curated color combinations—or design your own unique mix. With their playful design, Irislights let you set the perfect atmosphere for any room, mood, or special occasion. Irislights are available in two lengths, 20 or 35 lights, giving you plenty of space to express your style. The cotton balls can also be purchased separately, so you're free to handpick your favorite colors from our wide range and create a truly personal light string.

Prefer an effortless start? Combine several pre-designed Irislights and assemble your own inspiring wall of lights—or use a single light string on its own for a subtle, cozy glow. However you choose to use them, Irislights are made to spark imagination.
